VACCINE EXEMTION

How The Zionists / Globalists / Jews / Royal Bloodlines Avoid Vaccines ...

The United States is owned by Foreign Corporations and is now a Corporation after the Act of 1871. We are in bondage to the Cestui Que Vie Act of 1666 AD and the United States Corporation. 22 Zionist Jewish Families related to the Royals, do not get vaccinated at birth and have a higher IQ than us because of that, the royals all have a 200 IQ, 6+ Passports, and go to private Jew Only Country Clubs, and Germans are not allowed at these Country Clubs, not even Blacks or the Irish.

We know there are 12 Guys and 22 Zionist Jew Royal Families that run and control the Media, control the press, book publishers, and the rest of the world. We also know the Royal Zionist Jews of 22 Families do not get vaccinated at birth, there is more Jewish Supremacism than white supremacism and it is the Mainstream media skewing this fact.

The Zionist Jew Royal Families of 22 Bloodlines consider their blood better than blacks, aryans, irish, druid, or common white folks blood, they consider themselves the superior bloodline. They do not want us critisizing the Zionist Jews who are related to the Rothschilds, the Rockefellers, and the 22 other Ruling Bloodlines Related to the William of Orange and the Royalty of Ancient Egypt.

The United States Corporation is bankrupt, it is so much better to just buy crypto, set up a blockfi account, file a UCC-1, open a Treasury Direct Account, invoke the fifth ammendment and keep it silent around authority when needed. Your so-called rights are not really rights, because the United States was Corporation own by the District of Columbia and you were never taught that by the media or Public School.

More and more people are opting out of the system, leaving crap like psychiatry and getting off of poisonous brain disabling big pharma drugs for whatever works better, even distilled water is better.

More and more people are aware of the dangers of Psychiatric Drugs and Big Pharma Drugs such as Vioxx, we can replace all that with proper supplementation and natural cures that work, The UN doesn't want us drinking distilled alkaline water, just add lemon, lime, and baking soda (sodium bicarbonate) also for toothpaste you can try baking soda and activated charcoal, much better than the flouride crap they are poisoning us with, avoid carbs (bread/rice/wheat/flour) and eat grass fed meat, that is what we are meant to eat, it boosts the sex drive, it works

Because of the Zionist Jew Communist Control Grid people are being vaccinated at birth and mentally handicapped by the Vaccines which destroy the opportunity of having a 200 IQ on the Wechsler Adult IQ Test. Big Pharma and Pscyhiatry are a Pseudoscience SCAM, we know they are brain disabling, The United Nations wants exactly that.

It is about Population Managemnet and Cestui Que Vie Bondage.
